# OUTPOINT'S 2024 USA SPORTS VENUE TOUR

Outpoint Group is excited to announce the opening of registrations for our upcoming USA Sport Venue Study Tour in 2024. Gain exclusive access to top venues, expert insights, and networking opportunities. Limited registrations now open!

As was the case last year, NFL, NBA and NHL schedules will not be released until later in the year. We have set down a 4-week period for the tour to take place. The final schedule of dates and tour events will be communicated directly to you once we have the game schedule information.

## Venues:

We are pleased to add several new venues to the shortlist. These include the most progressive, responsible and sustainable arena in the world 'Climate Pledge Arena' and the new home of the LA Clippers 'Intuit Dome', which is due for completion in August of this year.
